

21 September 2018

Dear Parents,

I am writing to you from Edinburgh in which we attended the funeral of my Sister-in-law who died unexpectedly after a short battle with cancer.

Over five hundred people paid their respects, celebrating her short but wonderful life. All those who spoke about her celebrated her desire to embrace life and be the very best. It is a lesson to us all that we must make the most of our lives.

In that essence I would like you to impress upon your son or daughter that the opportunities available at Liverpool College are outstanding and they need to make the very most of all that we undertake to give our students the very best opportunities to be brilliant.

UCAS

The UCAS process is well under way and we are delighted with some of the Personal Statements we have read and the progress made.

Extended Project Qualification (EPQ)

Deadline: Monday 24 September.

Three-Week Tests

Year 12 have completed their three-week tests. This is the very last chance to change their subject choices. Students should take the appropriate advice from those teachers involved.

Sport

The 1st XV played a depleted side against Bolton School on Saturday - they lost narrowly.

On Saturday they play St Mary's Crosby.

We wish our boys every success and a return to our victorious ways.

Study Periods

Please remind your son or daughter that they must use study periods to undertake academic endeavours ie not using them as an excuse to depart early for lunch. School rules do require students to remain in school during all of their lessons.

Attendance

I am pleased to report that attendance is good. Please continue to encourage punctual, regular attendance even if your son or daughter is 'feeling slightly under the weather'. Parents must telephone or e-mail the House Administrators regarding the rationale behind any absence.

Please continue to use the e-mail address assigned to your son or daughter's **House** to contact the House Administrator regarding reasons for lateness or absence on the first day and provide medical notes to cover extended periods of absence.

House	E-mail	Telephone	Extension	House Administrator
Brook's	brooks@liverpoolcollege.org.uk	0151 724 4000	3247	Mrs Davies (Frear)
Butler's	butlers@liverpoolcollege.org.uk	0151 724 4000	3232	Mrs Crute-Jain

Godwyn House Update

I have met with the Interior Designer who has been appointed to conduct the design for our new Sixth Form building. We will share the design concepts with a selected committee. Our Gladstone Scholar Katie E will be heading the Sixth Form Welfare Group and will approach students in Years 11, 12 and 13 to view our vision and give their feedback.

Let us all appreciate each other and enjoy that which we often take for granted.
Family, Friends and Love.

Kind regards,

Stephen Brady
Head of Sixth Form
