This week in chapel we're thinking about the apostle Paul's list of 'fruits of the spirit' – characteristics that Christians are to grow in... and characteristics that we can all learn from and think about.

The sixth one is 'goodness'. Goodness is love in action. Charitable efforts are goodness; talk as a form about what charitable works you can get involved with or support.

Prayer

Lord, help us to be love in action; to be good to one another as we follow Jesus who went about continually doing good.

Amen

**THE ONLY DIFFERENCE
BETWEEN A GOOD DAY
AND A BAD DAY IS
YOUR ATTITUDE!**

This week in chapel we're thinking about the apostle Paul's list of 'fruits of the spirit' – characteristics that Christians are to grow in... and characteristics that we can all learn from and think about.

The sixth one is 'goodness'. Goodness is love in action. Of course, though, when we think about our day being good or bad, often the difference can be our attitude. Even if things have gone wrong, they still can be an experience from which you can learn and grow.

Prayer

Lord, help us to develop a positive mental attitude which sees all challenges as opportunities and knockbacks as learning experiences.

Amen

God *is* Goodness

He can give good, but cannot need or get it. In that sense, His love is, as it were, bottomlessly selfless by very definition; it has everything to give, and nothing to receive.

This week in chapel we're thinking about the apostle Paul's list of 'fruits of the spirit' – characteristics that Christians are to grow in... and characteristics that we can all learn from and think about.

The sixth one is 'goodness'. Goodness is love in action. Here we are reminded of the root of all goodness; God, who is goodness.

Prayer

Lord, help us to be love in action; to be good to one another as we follow Jesus who went about continually doing good.

Amen
