

**BE THE BREEZE, NOT THE HURRICANE:
7 QUOTES ABOUT GENTLENESS**

www.lifeequip.com

This week in chapel we're thinking about the apostle Paul's list of 'fruits of the spirit' – characteristics that Christians are to grow in... and characteristics that we can all learn from and think about.

The seventh one is 'gentleness'. This quote reminds us that there are different ways of achieving our goals in life. Some people approach things like a hurricane; they sweep in with a frenzy of activity and manic strength. Sometimes it can be more productive to be like a gentle breeze.

Prayer

Lord, we thank you for the example of Jesus' gentleness. Help us to be gentle with one another; knowing that in this way lies great strength.

Amen

but gentleness

the hardest
shells.”**
