

"TRUE LOVE IS
ABOUT SACRIFICE
FOR THE SAKE OF
THE ONES YOU LOVE."
- FRANCIS CHAN

1 John 3:16

This week in chapel we're thinking about the apostle Paul's list of 'fruits of the spirit' – characteristics that Christians are to grow in... and characteristics that we can all learn from and think about.

The first one is 'love'. Think about this quote, and the people in your life and in history who have given up and sacrificed things because of their love for you.

Prayer

**Lord, we thank you for your self-giving, sacrificial love. Help us to love like you have loved us in Jesus.
Amen**

True love is sacrifice. It is in giving, not in getting; in losing, not in gaining; in realizing, not in possessing, that we love!

The first one is 'love'. As this quote helps us to think about, real love between friends or siblings, team-mates or colleagues, as well as romantic love, is not about being selfish, but selfless.

Prayer

Lord, we thank you for all those who love us, and who we love. Help us to be selfless in our friendships and relationships, thinking first of the other person.

Amen

**Let us sacrifice our today so
that our children can have a
better tomorrow.**

The first one is 'love'. For many of us, our parents or guardians will be a fantastic example of love. Never forget how much they have given up and sacrificed to get you where you are today!

Prayer

Lord, we thank you for those who look after us, for their love for us shown in the sacrifices they make. Help us to be grateful people as we consider your great example of love.

Amen
