

**Liverpool College Prep and Pre Prep
Primary School's PE & Sport Premium 2017/18**

Liverpool College is dedicated to use the Primary PE and Sport Funding to help improve the quality of PE. We aim to engage all pupils in regular physical activity, raise the profile of PE and sport across the school, increase the confidence, knowledge and skills of all staff in teaching PE, offer a range of sporting activities and increase participation in competitive sport.

Total number of pupils on roll	324
Amount of Sport Premium received per pupil	£3240
Basic Sports Premium	£16,000
Total amount of Sport Premium received	£19,240

Primary PE & Sports Premium Key Outcome Indicator	School focus planned impact on pupils	Actions to achieve	Cost	Evidence/ Provision Gained	Actual Impact on Pupils PE, Sport & Attainment	Sustainability/Next Steps
The engagement of all pupils in regular physical activity.	Encourage participation in all KS2 Year groups during Lunchtime Sports Club	45 minute sports session offered to all children during lunchtime. Each Year group offered a specific day. Winning class get extra session on a Friday.	£6500	Pupil Voice Photographs	All children were offered the opportunity to participate in regular exercise and competitive activity. This increased participation in physical activity.	Links have been made to offer the same opportunity within school next year. Provide opportunities for Year 6 pupils to organise and lead lunchtime sessions for younger year groups. Supervised by staff on playground duty.

	Encourage participation and hand-eye coordination during lunchtimes.	Purchase 4 Outdoor table tennis tables	£5000	Suitable equipment purchased and installed. Photographs.	Outdoor table tennis tables will provide the opportunity for children to play table tennis during playtime and lunchtime. This will develop their hand-eye coordination and their teamwork when playing with others. Due to the building work, the delivery of the new tables has been postponed until October to ensure the area is safe for the children to play and there is adequate space.	Table tennis tables will remain outside for a number of years providing opportunities for all to play during playtime.
	Sports Day	Arrange sports day for KSI & KS2.	Staff N/A	Key Stage Participation	All pupils participated in our annual sports day regardless of ability.	This is an annual event where all children and staff are involved.
	Spare PE kit for each class	Provide 2 sets of spare PE kit for each class in the school. Appropriate sizes to be bought.	£1357	2 sets of spare PE kit will be provided for each class.	All children will now be able to participate in physical activity even if they have forgotten their kit.	All KSI and KS2 classes have been provided with a spare PE kit to be kept in their classroom. This will be used if anyone forgets their PE kit.
The profile of PE and sport being raised across the school as a tool for whole school improvement.	Children eager to participate in sports activities.	Provide a variety of physical activities within the school Activity Programme.	Staff N/A	Activity lists. Pupil Voice Photographs.	Children were provided with numerous sports activities which they can choose to participate in during the activity period. This was their own choice.	The activity programme is timetable for next year and two activity days are available. Ensure that there is a variety of sport available for all children to choose from.

	Celebration of pupils achievement and performances during assembly	Celebration assembly every Friday	Staff N/A	School Newsletter	Children were proud to share their achievements and it was celebrated as a school.	Sports reports are written after each fixture and published in the school newsletter. Sports captains write and read out sports report of their fixture in celebration assembly.
	Celebration of Sports success in final assembly of the term.	Award Sports Colours to Year 5 and 6 children. Purchase small awards.	£200	Sports Colours Awards list. Photographs. School newsletter.	Many year 6 children were awarded with these small awards, ties and ribbons to celebrate their success and good example in sport.	Mini netballs, hockey sticks and other equipment was bought and presented to the children who received sports colours.
Increased confidence, knowledge and skills of all staff in teaching PE and sport.	Provide staff with correct procedures to ensure safe practice when teaching physical activity.	Purchase 'Safe Practice in Physical Education, School Sport & Physical Activity' for KS1 and KS2.	£89.98	Each Key Stage will have a copy of Safe Practice Book for reference.	All staff who teach physical activity have been made aware of the book and where it is. They can refer to it anytime if they need further support.	KS1 and KS2 have their own copy of 'Safe Practice in Physical Education' where staff can refer to if and when needed.
	For staff to gain confidence when teaching Hockey.	Book new staff member onto Hockey course - 'Introduction to Hockey Coaching and Umpiring Hockey'	£179	Staff member will have new resources on how to confidently teach Hockey and how to Umpire a match safely.	Children benefited from high quality teaching in a safe environment and we were able to take more Hockey teams to fixtures as we had another staff member who could umpire.	Staff member attended Hockey Course and gained experience and knowledge in teaching and umpiring Hockey. They now umpire fixtures and teach weekly Hockey in Games lessons.

Broader experience of a range of sports and activities offered to all pupils	Provide suitable sports equipment to broaden children's experience of sport.	Purchase necessary sports equipment	£1500	Suitable equipment in use during lessons.	Suitable sports equipment was purchased to enable high quality lessons and provide the opportunity for all children to participate effectively, which broadened their experience of sport.	Good quality equipment was purchased to support PE and Games lessons, as well as fixtures. This will be used over the coming years to provide high quality lessons.
	Provide suitable outdoor play equipment	Purchase appropriate outdoor play equipment to stimulate and broaden physical activity for pupils.	£2179	Suitable outdoor play equipment to be purchased and used effectively. Develop Outdoor playground. Photographs	Appropriate and stimulating outdoor play equipment was purchased to broaden the experience for children and they were challenging themselves at lunchtime.	Outdoor play equipment was bought for the children to play with during lunchtime. It was very successful and all children enjoyed playing with it. Next steps would be to purchase equipment that is a little more robust and would last a lot longer.
	Increased participation in new after School Clubs	Pop Lacrosse after school club offered to Year 4, 5 and 6.	£200	After School Club Sports register	Children had the opportunity to develop the range of skills learnt as they participated in a new sport. We were City Champions and competed in the National Finals.	There was an increase in participation in the after school club from Autumn to Spring Term. Next steps would be to offer a taster session to encourage more children to join the club next year.
	Children engaged in new experiences and given wider opportunities.	Year 5 - Water sports Activity Day	£540	Photographs. Pupil Voice	Children gained experiences in areas that they would not normally do. They also used their swimming skills.	All of Year 5 enjoyed the Water Sports activity day. This would only be sustainable through the use of the PE funding premium or through parents paying the fee next year.

Increased participation in competitive sport	Provide opportunities for competition for all pupils.	Entry into all LSSP KS1 & KS2 competitions and engagement events. Organise and arrange fixtures with local schools.	£1295	Competition and fixtures calendar. Team lists of children who have been involved in fixtures each term.	Children developed many different qualities, experiences and life lessons from participating in competitive sport.	Enter LSSP competition programme again next year and to try to enter more than 1 team for competitions to broaden the experience for more children.
	Provide competitive running races in the local area.	Entry into the Liverpool Cross Country & Athletics competition entry	£200	Competition and fixtures calendar. Team lists of children who have been involved in fixtures each term.	Children developed determination and perseverance as they competed in competitive races.	Enter the Liverpool Cross country league and Athletics competition again next year.
	Provide competition within school for all children.	Organise House competitions within School	Staff N/A	Trophies for each competition. Results table.	All children participated in House Competitions regardless of ability. This developed an encouraging environment in sport.	House competitions to be organised and planned for next year. Ensure that all children are involved in competing for their house.

Meeting national curriculum requirements for swimming and water safety	
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	80%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	80%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	86%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
