Dear Parents,

We are two weeks in to the school year and there is a feeling amongst staff that Year 11 have made an impressive start.

I wanted to write to you today with some information and dates for the year ahead which is such an important one for your sons and daughters. The reality is that it is not even a year – the first sports hall exam is only eight months away on 14th May.

Year 11 Parents' Evening is on Wednesday 7th November and this will help us in the build up to the trial examinations at the end of term for which a timetable is attached. All the data from last year showed a strong link between pupils who worked hard for their trials and their summer results.

Wednesday 14th November is the date of our Sixth Form Open Evening when we will outline the plans for our transition process and curriculum offering.

A GCSE Exam Timetable will be confirmed after Christmas but the final exam is on Friday 14th June. The last exam will be followed by a Prom celebration on Monday 17th June and there is a Sixth Form Taster Day on Wednesday 19th. After that date there are no formal requirements for pupils to come to school and I know this is useful for some families who wish to book holidays.

GCSE Results Day is Thursday 22nd August and wherever possible we would recommend that pupils and parents are available to come into school to collect results and confirm their next steps.

If you have any questions this year, then your first point of call should be the House Tutor and their details are copied below.

Brook's Mr P Gunawardena [pgunawardena@liverpoolcollege.org.uk](mailto:pgunawardena@liverpoolcollege.org.uk)

Butler's Mrs A Ormrod [aormrod@liverpoolcollege.org.uk](mailto:aormrod@liverpoolcollege.org.uk)

Howson's Mr G Wilson [gwilson@liverpoolcollege.org.uk](mailto:gwilson@liverpoolcollege.org.uk)
