Big LEGO® Brick Hospital

A replica hospital, made entirely from LEGO® bricks and one of the largest constructions of its kind in the UK, is visiting Liverpool College next week.

The Clatterbridge Cancer Charity has commissioned the Big LEGO® Brick Hospital, which will consist of half a million LEGO® bricks, to raise money for a new specialist centre, currently under construction in Liverpool city centre.

Members of the public are being asked to buy a brick for a £1 donation for the fundraising campaign, which aims to raise £500,000.

Football Club Football Club Every Thursday 5pm-6pm in the Sports Hall

All children welcome even if they do not attend Liverpool College. Boys and girls aged 3 -7years welcome. Please see Adam in the Sports Hall regarding enrolment

Each week in the Newsletter we will be sharing a piece of writing from each year group.

This week we have two children from 1R who have written about Mr Wolf. The first piece of writing is from Sylvia.

"One windy night in the scary woods Mr Wolf was hiding in a log. He could smell something, it smelled yummy. A foot was poking out of a tree it was a boy's foot. Mr Wolf had a plan. He put on some clothes he put his big head in the tree and ate the boy up. The boy was dead. The end".

The next piece of writing is from Pearl

"Once on a dark, dark night in a dark forest, lived Mr Wolf and like all fairy tales he tried to catch little children, but it never worked. He had kidnapped loads of them, Yes loads! He was hiding behind a tall tree because he had heard that people were coming. There was a little boy he was in a tree. He saw the wolf down below. The wolf saw the boy he gobbled him up, but it might have not been the end..."
