Important Notice to Parents/guardians School Gate

Could I please remind Parents/Guardians **DO NOT TOUCH or PUSH the electronic gate while waiting to enter Pre-Prep** as this will cause the gate sensors to stop working. Thank you

School Photographs

Your child has brought home their school photograph. If you would like to purchase your child's school photograph could you please ensure that the proof and money are returned to school **no later than Wednesday 17th October 2018** so that the photographs will be processed in time for Christmas.

Mystery Readers

Mystery Readers

We are starting with our Mystery Readers after half term. The Mystery Reader is open to parents/guardians grandpa's, grandad's or a family relative who would like to come and read to a class. This is from Reception to Year 2. More information will follow

Liverpool College has a new App

The way that we communicate with parents/carers is changing. At the start of the new term we launched our website. If you have accessed our newsletter via the website you will have seen how easy it now is to navigate. We have now launched the second phase our new school app. Please delete our old app which may be on your phone. The app is available in all app stores for free. Search for 'Liverpool College'. When you have downloaded the app, you will automatically receive website, calendar items and all news stories. But, there is more. If you go to Settings (listed under Menu) on the app and click on 'Choose notifications group.' You will be able to select from more than 30 categories, all those areas of school life about which you would like to be kept informed. I would strongly advise that you download the app as we will; in the medium term develop it as our communication channel to you. You will be able to choose exactly what you want to be kept informed about. Do not delay, download today.
