### Reception One – Forest School

Reception One had a wonderful time last week at their first Forest School session in connection with Liverpool John Moores University.

They spent an hour exploring the forest and collecting lots of beautiful natural items whilst taking part in a scavenger hunt. At the end of the session, the children were delighted to learn how to approach the fire pit safely so that they could roast their own marshmallows on the fire – and the best part was they got to eat them! They ended the day with a very exciting game of forest hide and seek. We are very excited to see what the next sessions will bring.

### Walk to School

Next week is Walk to School Week. Parents have suggested starting a walking bus. This would involve parking at 1 or 2 separate sites and 2 parents from each class on a rota basis- walking some of the children into school **or** all parents could walk in together. If you would be interested please email Mrs Fraser.

## Anti-Bullying Week

This week has been "Anti-Bullying Week and this year's theme has been "Choose Respect". A top priority of the week is to show that bullying is a behaviour choice and that children and young people can set a positive example by opting to respect each other at school, in their homes and communities and online.

We also had an assembly on World Kindness Day talking about how we can show kindness to each other.

Each week in the Newsletter we will be sharing a piece of writing.

This week writing from Jack 1P
