This week writing from Eddy 2P

Once upon a time there were three friends Mc.Cake one, Mc.Cake two and Mc.Cake three lived in the house One Cupcakes. One day they went out to find the biggest cake in the world. First Mc.Cake one sneaked into the charity shop but all he found was a fudge cupcake. Next Mc.Cake two crept into the water park but all he found was a chocolate cupcake. Finally Mc.Cake three looked at the dump and found a fudge Cake so Mc. Cake two, Mc. Cake one and Mc.Cake three split the cake into not one, not two but three slices, Then they decided to hide their cake. First Mc.Cake one crept into the basement but he dropped it in a binbag and couldn't find it. Next Mc.Cake two sneaked past the building site but he lost it in rubble. Mr Mc.Cake three walked through the waterpark but slipped and dropped it. One day Mc.Cake one was emptying the rubbish and found his cake in a bin bag. Next McCake two was looking around a building when he found his cake in a hole in the wall and Finally Mc.Cake three was swimming and when he climbed out he found his cake so they all went home to the house One Cupcakes and ate their cake.
