Important Notices to All Parents/Guardians

Could I please remind parents/guardians when you have collected your child from school, will you please leave the premises **IMMEDIATELY**. Do not play on the adventure park or the playground. Children are **NOT ALLOWED** back into school once they have left the premises. This includes using the toilets.

Thank You

Important Notice to Reception and Year 1 Parents/Guardians

Phonics – Reception – Year 1 Parents Information Evening

Monday 29th April 5.30pm – 6.00pm

You are invited to attend a Phonics Information Evening for Reception – Year 1 parents/guardians.

Reception

This week in Reception the children were very excited to come back and tell us about all of the wonderful activities they got up to over the Easter Break. The children each shared their news in class and then did some wonderful writing.

Some of our children have shown a compassionate side this week with an impromptu discussion about people that do not have any homes. This has sparked lots of conversation about kindness and helping others that are less fortunate than us. We are very proud of your kind and caring children.

Notice to Parents/Guardians

School will close at **12.45 pm** on **Wednesday 15th May** for Staff training

Girls Summer School Dresses

Children may now wear summer uniform. The girls can wear the white summer dress, the red striped summer dress or the pinafore with a short sleeved top. All are available from the school shop.

Boys may wear shorts or long trousers and the short or long sleeved top.

Congratulations to Jaida 2P for coming 2nd and 3rd in Kick Boxing and receiving her purple belt, certificates and trophies.

Walk To School News

Well done to all the parents/guardian and children who have taken part in the "Walk to School" scheme. The results for this school year so far show that 76% of trips are active, that's walking, cycling scooting or walking. This fantastic achievement is creating happier and healthier children, who are gaining confidence for future independent travel. This also results in a nicer environment for walking with reduced air pollution and higher physical activity rates for pupils and their families.

Tooth Fairy News

Thomas 1Q lost two teeth over the Easter holiday and had a visit from the Tooth Fairy.
