## School Trips Year 1 & Year 2

School Trips have been arranged for Year 1 & Year 2 for later on in the Year. The voluntary contribution of the trips is going to cost approximately £20.00 per child. We are informing Parents/Guardians now so that if you would like your child to go on the trip you are aware of the cost. If we do not get enough voluntary contributions unfortunately the trips will have to be cancelled. Liverpool College has lost deposits in the past due to trips having to be cancelled due to lack of voluntary contributions.

## **Poetry Competition**

Pre Prep took part in the House Poetry Competition and over 70 children took part. The children were asked to write a poem on the theme of "Friendship". The competition was judged by the poet Deryn Rees-Jones. She was very impressed by the standard of the poems produced. She said 'I liked the ones where the writer allowed me to see the world or feel a feeling a little bit differently. Reading the poem meant that something had somehow changed in me.' She asked me to congratulate all children who entered and also the many who decorated their poems so beautifully.

The house winners were

This week Sophia 2Q has written about the visit from Great History Live

First two people (Dawn and Russell) came and acted what happened in the Great Fire of London. After that they told us how it was like in the fire chain. They showed us by doing it with the teachers. Then all the children got to have a go. It was a competition between 2Q and 2P. The person at the back had to get a bucket and put a ball in it and pass it to the front of the line. When the person at the front gets it they throw it in a black bucket. When we came back from break we got to dress up as pirates and maids. When everyone was facing their partner they showed us a dance and then the children all had a go. After lunch they told us how it was in the plague. When Russell and Dawn left Joe's dad came he is a fireman and told us how to keep safe with fire. When it was time to burn the house that the children had made we went outside. When Joe's dad had set fire to them it was very exciting. When the fire was very big Joe's dad put it out.

My friends do not mind if I make new friends or old friends.  
We will join together to make a group together.  
My friends help me to make dens now we've said goodbye to winter and hello to spring.  
In Spring the lambs come out.  
Children grow flowers to grow in the Spring.  
When spring starts summer flowers start to grow and leaves start to grow.

### Friendship

My best friend  
Is loving and caring.  
She is also good at  
Giving and sharing.  
She is in my class  
Which is the best thing ever!  
As I get to play and see her whenever.  
But at the weekend  
I am quite sad as I don't get to see my best friend.  
But Monday comes  
And at the small gate,  
We give a big smile  
And run as fast as we can.  
Holding hands as we walk through the gate,  
Knowing the fun we are going to have.  
Alice 1P
