

Download our new school app today!!!

The way that we communicate with parents and carers is changing. At the start of the new term we launched our website, if you have accessed our newsletter via the website you will have seen how easy it now is to navigate. We have now launched the second phase our new school app. The app is available in all app stores for free search for 'Liverpool College'. Please delete our old app which may be on your phone. When you have downloaded the app, you will automatically receive all website calendar items and all news stories. But, there is more. **If you go to Settings (listed under Menu) on the app and click on 'Chose notifications group' you will be able to select from more than 30 categories all those areas of school life about which you would like to be kept informed.** I urge you strongly to download the app as we will in the medium term develop it as our communication channel to you and you will be able to choose exactly what you want to be kept informed about. **Do not delay, download today.**

Maths word of the week - brought to you by Elinor G and James H

This weeks' word of the week:

Ascending

In maths you might be asked to put a set of numbers in to ascending order.

This means put the numbers in order from smallest to largest.

Well done to 5P Form for the best attendance this week with 99.5%! Keep up the good work, as we want all of our 'Mr and Mrs Potato Heads' to be clothed!

PLEASE CHECK THAT ALL KIT/UNIFORM IS NAMED THIS WEEKEND

We have rather a lot of lost property in the lost property box.

Best wishes to you all for a good weekend
Mrs A Pease - Head of Prep
