

Download our new school app today!!!

The way that we communicate with parents and carers is changing. At the start of the new term we launched our website, if you have accessed our newsletter via the website you will have seen how easy it now is to navigate. We have now launched the second phase our new school app. The app is available in all app stores for free search for 'Liverpool College'. Please delete our old app which may be on your phone. When you have downloaded the app, you will automatically receive all website calendar items and all news stories. But, there is more. **If you go to Settings (listed under Menu) on the app and click on 'Chose notifications group' you will be able to select from more than 30 categories all those areas of school life about which you would like to be kept informed.** I urge you strongly to download the app as we will in the medium term develop it as our communication channel to you and you will be able to choose exactly what you want to be kept informed about. **Do not delay, download today.**

PPC House Points of the Week

Winning Class: 3P with 116 points

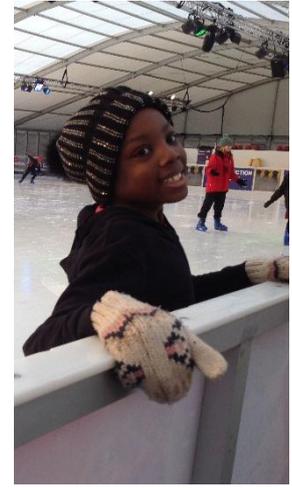

Winning House: Brook's with 94 points

Winning Pupil: Sam W with 18 points

HE'S BEHIND YOU!

The children enjoyed an end of term treat yesterday - a brilliant pantomime performance of Aladdin by Bitesize Theatre.

This week Mrs Pease and Mr Stamper took some of the 100% attendance children to the Ice Skating rink at the Pier Head. There might have been a few bumps and falls! The children had an amazing time!

What a wonderful celebration of Advent and Christmas at Mossley Hill Church on Tuesday. All children performed wonderfully. We would like to thank Miss Clark, Mr Bishop, the PTA and Mr

Hammersley's year 9 helpers for all their support!

U10 & U11 Rugby v Rydal. It was a tale of two games for our rugby boys last Friday as our old friends Rydal rolled into town. After an extended warm up we were raring to go. Our Year 5s made a very solid start, scoring a few tries early on. As the game progressed, they continued to keep their composure and played some really wonderful rugby to score again and again. They didn't let the standard drop at any point in the game, attacking well with some very clever use of the ball, as well as defending excellently to stop Rydal having much time in possession of the ball. By the end, we ran out winners by 12 tries to zero! It was amazing to go the whole game without conceding a try. Every player was excellent. Layton N scored some good tries, as did Adam K with 4! Special mention must go to Charlie P, playing in his first ever rugby fixture and playing like he was a seasoned pro! But my MOTM was our captain Jude F for leading by example in every aspect of the game.

Sadly it was a different story for our Year 6s. I couldn't fault any of their effort. To a man they were brave and challenged for every tackle right up until the end. However, they came up against a very good Rydal side with exceptional individual talents that even had Mr Hall and Mr Hewitt applauding in appreciation! There were some warriors in our ranks, like James A and Thomas H who played on through the pain barrier. Ibrahim A also had a very good game for the Year 6s. Sadly we were the team to register a blank on our score sheet, as Rydal won by 10 tries. But like I said, all I can ask is that every man leaves everything on the pitch and puts in 100%, and we certainly got that today!

My thanks to Mr Hall, Mr Hewitt and Mr Muscateli for helping us out with this fixture, we look forward to working with you again soon!

U10 & U11 Hockey v Rydal

Last Friday our U10 and U11 girls played hockey against Rydal. Despite a sudden downpour during our warm up the teams were eager and enthusiastic to start playing. Year 5 made a confident start to the match, having played only one match before they showed good knowledge of the game and their spacing. Despite a strong opposing side the team kept their heads up and continued to improve their match play throughout the game. Despite losing the match, the girls were proud of Esme W their goal keeper who was made girl of the match for some fantastic saves. Orla C must also be commended for her drive and determination on the pitch.

The U11 also played a challenging game against their Rydal opponents. The Year 6s continue to show enthusiasm for the match and support each other throughout the game. The girls showed resilience to the opposition's strong attack and continued to show 100% effort throughout despite the score line. A particular mention must go to Holly W for some powerful goalkeeping and general enthusiasm for the game. My player of the match was Anya C for her continued effort and initiative to gain possession of the ball.

A final mixed U10 and U11 match saw Year 5 and 6 girls play with their teammates for the first time. The girls worked well to build the gaps in their match play and ensure they supported each other. A well done in particular to those Year 6 girls who helped lead the Year 5s in one of their first competitive matches. The match was a tense back and forth of possession and we defended well throughout. Unfortunately one ball did creep into our net leaving our final score at 1-0.

There should be a special well done to the captain and player of the match Riya N who led by example throughout all aspects of the game.

Well done to all girls who took part, I was very proud of their attitudes to defeat and their determination to improve moving forward. Our focus in the coming weeks is scoring some goals!

Many thanks to Miss Arnold and Miss McLindon for their continued work with the girls in coaching and umpiring!

**No play
rehearsals
until the
new term!**

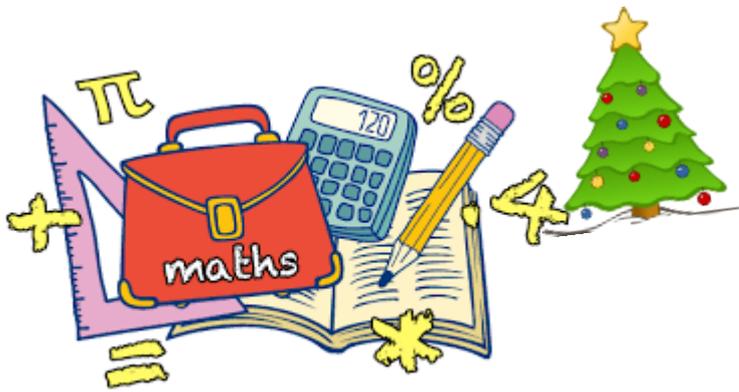

**No Choir or
BPM rehearsals
until 8th
January 2019.**

The Preplings have been as busy as ever performing at the Cathedral in the Action for Children Christmas Concert. It was such a great opportunity and fun to sing with and hear so many other school choirs!

Our Head and Deputy Head Choristers were also in action on Monday, representing the Prep School in the senior school carol Service.

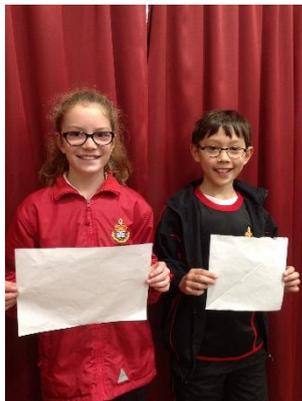

Our final engagement of the season is on Sunday at The Cathedral. We are taking part in Hurry to Bethlehem - the Nativity. Please come and support our children. The performance is free and starts at 3pm.

Maths word of the week - brought to you by Elinor G and James H

This weeks' word of the week:

Product

Please can we all say product.

The word product you might have already heard of in everyday life. For example which beauty product do you use?

But in maths the word product means something different. The product is the result when two numbers are multiplied together.

For example the product of 4 and 5 is 20. So the product is 20.

Who can tell us what the product of 6 and 7 is?

Who can tell us why 16 is NOT the product of 3 and 5?

Who knows what the product of 10 and 4.2 is?

Well done to 6Q Form for the best attendance this week with 99.1%! Keep up the good work, as we want all of our 'Mr and Mrs Potato Heads' to be clothed!

A full Michaelmas 2018 term calendar has been emailed to parents and is available on the website

Mon 17 Dec Christmas lunch

Weds 19 Dec Christmas Jumper Day & Christmas parties.
End of Autumn term 3:15pm

PLEASE CHECK THAT ALL KIT/UNIFORM IS NAMED THIS WEEKEND

We have rather a lot of lost property in the lost property box.
Olivia S has lost her named Nike trainers size 3, Luca H has lost his full named tracksuit.
