

### Download our new school app today!!!

The way that we communicate with parents and carers is changing. At the start of the new term we launched our website, if you have accessed our newsletter via the website you will have seen how easy it now is to navigate. We have now launched the second phase our new school app. The app is available in all app stores for free search for 'Liverpool College'. Please delete our old app which may be on your phone. When you have downloaded the app, you will automatically receive all website calendar items and all news stories. But, there is more. **If you go to Settings (listed under Menu) on the app and click on 'Chose notifications group' you will be able to select from more than 30 categories all those areas of school life about which you would like to be kept informed.** I urge you strongly to download the app as we will in the medium term develop it as our communication channel to you and you will be able to choose exactly what you want to be kept informed about. **Do not delay, download today.**

### URGENT LAST CALL FOR VOLUNTEERS

Are you available on the morning of Friday 9<sup>th</sup> November? Would you be willing to speak to children about your career? Next week is our first ever Prep School Careers Fair and we are still looking for volunteers? The event will take place 9.30-11.30, although we are asking volunteers to arrive from 9.15am. We would like to organise a careers carousel, with small groups of students moving around the room to talk to volunteers about their job, for approximately 10 minutes at a time. If you are interested, please email Mrs Doran urgently [sedoran@liverpoolcollege.org.uk](mailto:sedoran@liverpoolcollege.org.uk)

The art work should be submitted by **Monday 5<sup>th</sup> November**, clearly labelled on the back of the work, with the child's name, form and house. We look forward to celebrating the children's work at this special event.

Please look out for letters next week!

## Keep Calm and Read on Club

Congratulations to our new librarians Mary M, Akshay S and Amelia B.

U10 & U11 Rugby v St Mary's Hall Crosby (H)

Our two rugby teams had their first fixture of the season just before half term. Both squads were very eager to get going, and after a short warm up it was down to the serious business! There was some excellent rugby played by both sides throughout the game. Year 6 were particularly good at moving the ball about, while Year 5 were excellent at running at the opposition with speed and endurance. There were many notable performances all round, such as an excellent try by Ed P for Year 5, and some heroic defending by Charlie Y for Year 6, to name but a few of the many examples that could be picked out from both sides. The Year 5 game was tight, but they managed to record a victory, while the Year 6s ran out slightly more comfortable winners in their game. It was very pleasing to start the season with two wins, but we also know there are things we can work on before our next game!

Thank you to all children and parents for the wonderful homework completed on the Romans. It was excellent and we enjoyed sharing the facts and artefacts in class!

Year 4 girls will be swimming this half term. Letters have been sent out and reply slips need to be in by Monday as the first session starts on Tuesday.

Crispin is back in his habitat after a week away visiting Miss Whittell. He went to a birthday party and was so popular Miss Whittell didn't want him to come back! He has been learning his lines for The Wedding Singer and Alice and is raring to go.

He has also made a recent trip to the Chill Factore - despite the chilly conditions he and his hump are ready for the slopes in Oberlungau in February!

## HALLOWEEN DISCO!

My

thanks to members of the Parent Teachers' Association and staff who helped organise (and clear up afterwards!) the fantastic and very successful Halloween Disco last night. Well done to the children (with help from their parents - some of whom also dressed up!) for dressing up in some very scary costumes!

We are due to pay our final invoice for the upcoming trip - Please log onto Parent Pay and make any outstanding payments.
