

Download our new school app today!!!

The way that we communicate with parents and carers is changing. At the start of the new term we launched our website, if you have accessed our newsletter via the website you will have seen how easy it now is to navigate. We have now launched the second phase our new school app. The app is available in all app stores for free search for 'Liverpool College'. Please delete our old app which may be on your phone. When you have downloaded the app, you will automatically receive all website calendar items and all news stories. But, there is more. **If you go to Settings (listed under Menu) on the app and click on 'Chose notifications group' you will be able to select from more than 30 categories all those areas of school life about which you would like to be kept informed.** I urge you strongly to download the app as we will in the medium term develop it as our communication channel to you and you will be able to choose exactly what you want to be kept informed about. **Do not delay, download today.**

PPC House Points of the Week

Winning Class: 4P with 211 points

Winning House: Howson's with 257

Winning Pupil: Charlie L with 25 points

Headteacher's Award

Well done to the following pupils, who were given Headteacher's Award certificates this week.

Sophie C, Akshay S, Riya N, Aurelie O, Ethan B, Riley M-W, Aariz K, Poppy L, Daisy S & Nate D.

I would like to say how proud I was of 3Q for their assembly today, commemorating 100 years since the end of WW1. They worked very hard researching and learning about people who live through and took part on WW1. They produced artwork and poems for the assembly in addition to their usual homework. It was fantastic that so many parents were able to come and support it.

DREAMS

Prep Art Festival 2018

A huge congratulations to all pupils for the absolutely superb art work produced on the theme of Dreams for the House Art Competition this year.

It was such a pleasure to see the effort and detail in the work submitted. The ideas were so creative and original and the work was a very high standard.

All pupils have earned points for their houses and the following pupils received prizes for particularly outstanding work: Leilani B, Mikey R, Daniyal O'N, Hannah W, Jamie B, Katy W, Isla M, Shanzay J, James C, Finn S, Elyn S, Lucas B, Tilly A, Holly W & Lena A.

Thank you to Jack R 3Q who brought a fabulous statue of Tutankhamun for our history lesson this week. We enjoyed looking at this special artefact.

Maths word of the week - brought to you by Elinor G and James H

This weeks' word of the week:

Inverse operations

- opposite, reverse operations.
- addition and subtraction are inverse operations and multiplication and division are inverse operations.

Inverse operations are handy for checking your calculations. You can use addition to check subtraction and vice versa. The same can be done for multiplication and division.

Well done to Year 4 pupils who completed some excellent projects on the Romans in history. The class enjoyed hearing about some fascinating Roman facts and how the projects were made.

Please return all reply slips for this years' Christmas concerts by Monday 12th

November.

All pupils have a booklet of words. Please encourage your child to learn all the words for the music we have practiced so far - we are - as ever on a tight schedule!

All BPM members should practice their parts before rehearsal on Monday night.

Our two teams went to the stunning surroundings of Scarisbrick Hall in Ormskirk, a new venue for us! After a vigorous warm up led by the teams' captains, it was time to start.

The Year 5 game was truly excellent. Both teams were giving absolutely everything throughout the whole match, and it was a fiercely competitive and enthralling watch. Our boys showed some remarkably composed and organised defensive rugby, never shirking from the tough tackles needed to halt our opponents. We were also able to string together some very intelligent and fluid attacks, resulting in us being 2-1 up at half time. The second half saw us score 2 more times, but sadly our opponents got within touching distance of us, and managed to equalise with the very last touch of the game. Despite this, we were very pleased with our performance, our work rate and our determination to play on in a very tough and physical game. Very well done to Layton N and captain Jude F for scoring two tries each, to Sean L for a great debut and to MOTM (tough choice!) Adam K for coordinating much of our play!

The Year 6s also enjoyed a very tight and competitive game. After falling behind, our boys did brilliantly to peg the game back, ending the game strongly as the score finished 3-3. Mr Lyons was very pleased with his sides organisation, and told me they also put together some really nice moves. There were tough tackles aplenty, and they, like the Year 5s, never gave up and didn't shy away from any crunching tackles. A particular well done to MOTM Tom P for his two tries, and for Daniel B for scoring the other, though we could have picked many other players out too. Our Year 5 and 6 Athletics squad went to SFX Sports Hall on Thursday afternoon to compete in the Indoor Athletics Qualifying Heats.

This year, 8 schools took part in the heats, rather than the usual 5, and these heats were to qualify straight for the city finals, rather than having a preliminary round first. In addition to this, there was only one team that were going to go through, so the standard was raised very highly! Both our boys and girls teams took part in the over and under relay, and performed very well, before it was time for the boys to do their field events and the girls to do their races. Both groups put in spirited and determined performances here, and it was clear that the work they had put in to practising their techniques in PE lessons had paid off. Once all of these events were completed, it was time to swap over. Again, both the boys and the girls put in great efforts to their respective field and race events. The final event saw us take on the foam javelin, and all of our throwers put in some very credible efforts indeed. The scores were then announced, and unfortunately we didn't qualify, coming 4th in what was described by the event officials as easily the toughest heat that they had scheduled this year! A very well done to all of our athletes, particularly those who had a slight stumble/fall/drop and kept their composure to finish their races admirably. Also a special mention to Dennis P who was awarded a special commendation on the day for setting a sporting example!

The Scholastic Book Fair

will be in the Prep School between
Monday 19th - Thurs 22nd Nov
after school

Come and see if there are any books you would like to buy, as any commission is given back to the Prep School to buy books for our Library

**A GOOD TIME TO LOOK FOR
CHRISTMAS PRESENTS!!**

We will be supporting the Christmas Toy Appeal run by Radio City again this

year. The children can play their part in the appeal by donating ONE present to the Toy Appeal. **Could you please bring your gift in to school on Friday 30th NOVEMBER.** Courage the Cat is coming to school to collect them.

As autumn well and truly sets in Crispin has been out and about exploring the campus. He has enjoyed kicking his way through the leaves and jumping in puddles. Mrs Herron has had to keep a beedy eye on the front door to make sure he doesn't trample mud into school! He is looking forward to supporting the Prepling's at their first Christmas engagement of the year - **Sunday 25th November at St George's Hall.** #CamelWatch

All earring must be removed before the swimming lessons.

PREP SKI TRIP - FEBRUARY 2019

Please ensure all payments are complete! We **MUST** pay the final invoice next week! The total cost of the trip is £965 - please log on to Parent Pay to ensure you are up to date! Many thanks in advance!

1 place has become available on the ski trip if you would like your child to attend please contact Miss Clark ASAP - payment must be made in full.

A full Michaelmas 2018 term calendar has been emailed to parents and is available on the website
