INTRODUCTION FROM THE HEAD OF PRE PREP

The early years are critical in terms of successful intellectual, social, emotional, physical, spiritual and creative development. It is our aim to provide a solid foundation on which all future learning is based. Our planning ensures that a broad and well-balanced curriculum, based on the Early Years Foundation Stage and the National Curriculum, contributes to all round child development. This curriculum and extensive extra-curricular programme mean that visitors to the school find classrooms and playing fields buzzing with happy children engaged in purposeful activities.

By the time children leave the Pre-Prep Department and move to the Prep School we would expect they would:

- Read with enjoyment and see value and pleasure in acquiring this skill
- Use books as a source of information
- Write clearly, neatly and legibly and show knowledge of spelling patterns
- Apply a good grasp of basic mathematical concepts to problem solving situations
- Understand and value the process of learning so they enter the Prep school with an enthusiasm for learning
- Be self-confident and articulate

We strive to provide a happy, secure environment where the children feel valued as individuals and develop a positive attitude towards learning. Children are encouraged to ask questions and to develop lively and enquiring minds. We have high expectations and aim to foster a sense of pride in their achievements.

The Pre-Prep is situated in its own secure building with play areas at the rear. However, it also enjoys the advantage of sharing many of the impressive facilities of the Prep and Senior Schools, including the Chapel and Sports Complex, whilst retaining the distinctive character and identity of its own site within the College campus.

Head of Pre-Prep

Inspection Report

We had an Ofsted Inspection in November 2019 in which all areas of the school, including our Early Years provision were deemed to be Outstanding.

The report included the following comments:

- Pupils receive a top-quality education at this school. From a four-year-old child in Reception to an 18-year old student in the sixth form, pupils have an amazing array of opportunities for development and enrichment. As a result of a first-rate education, pupils develop into polite, mature, articulate young people who are well prepared to contribute to wider society. Pupils thrive in this school.
- The Principal, senior leaders and Governors are determined to provide all pupils with a first-rate educational experience, regardless of pupils' backgrounds or barriers. To this end, the curriculum is purposeful and ambitious, from the early years to Year 13. It is structured with precision to ensure that teachers build on pupils' prior learning. The curriculum prepares pupils fully for the next steps in their learning.

Reception Admission Arrangements for September 2022

Taken from Liverpool College Admissions Policy for September 2022 entry. The full policy is available to download from our website → <http://www.liverpoolcollege.org.uk/admissions>

4.1 Application Process and Admission Number:

4.1.1. Applications for places at Liverpool College are part of the Coordinated Admissions Arrangements operated by Liverpool's Local Authority. Applications for places in Reception in September 2022 should be made to the home local authority using the Preference Form (Common Application Form). The national closing date for applications is **15th January 2022**.

4.1.2. Liverpool College has an agreed admission number of 84 pupils in Reception. It will accordingly admit 84 pupils if sufficient applications are received.

4.2 Oversubscription Criteria for Reception Admissions

4.2.1. Where the number of applications for admission is greater than the published admission number, and after the admission of pupils whose statement of special educational needs (SEN) or Education, Health and Care (EHC) plan names Liverpool College applications for Reception will be considered against the criteria set out below, in priority order:

- (i) Children who are 'looked after' in accordance with section 22 of the Children Act 1989 and previously looked after children.

In the following criteria children of multiple births (twins, triplets etc) will have priority¹:

- (ii) Pupils who, on the date of admission², will have a sibling (i.e. a natural brother or sister, or a half brother or sister, or a legally adopted brother or sister or half brother or sister, or step brother or sister who will be living with them at the same address at the date of their entry to Liverpool College) in years Reception-13 of the Academy. Proof of the sibling relationship will be required.
- (iii) Pupils whose parents are employed by Liverpool College and who have been employed continuously by the College for two years or more, at the time of application.
- (iv) Four (4) places will be allocated to children eligible to be registered for free school meals³ who live within a two (2) mile radius of the main entrance gates of the Liverpool College site (situated on Molyneux Road). The two (2) mile distance is measured as a straight line. Parents/guardians will be required to provide evidence of eligibility by completing the supplementary admission form (available from Liverpool College) and the school may request confirmation from the applicant's home local authority. All applicants who seek a place under this criterion but to whom an offer is not made will be considered under criteria (v) and (vi).

¹ This means that when random allocation is used to allocate places in the oversubscription criteria, if one of the twins/triplets (etc) is selected through the random allocation process, the other twin/triplets etc will then be allocated a place.

² Date of admission is 1 September 2022.

³ See appendix D for further information about eligibility to be registered for free school meals

- (v) 50% of the remaining places will be offered to pupils who live within a two (2) mile radius of the main entrance gates of the Liverpool College site (situated on Molyneux Road) by random allocation⁴. The two (2) mile distance is measured as a straight line. If there is an uneven number of remaining places, an additional place will be offered to a pupil who lives within a two mile radius of the main entrance gates. Proof of residence will be required (council tax bill, utility bill).
- (vi) the remaining places, after places offered to pupils who live within a two mile radius of the main entrance gates as outlined above, will be offered on the basis of random allocation⁵.

4.2.2. If there are more applicants than places available in criteria (i) to (iv), the tie-break will be via a random allocation process⁶. This will be supervised by someone independent of the school.

4.2.3 Late applications (those received after the closing date for applications) will be considered after applicants who applied on time, unless there is a valid reason for the application being received late eg. change of address.

4.2.4. If false or misleading information is used to gain entry to Liverpool College, the application will be reconsidered and the correct level of priority given which may result in the offer of a place being withdrawn.

4.2.5. Children in Year 6 of the Primary School (Preparatory School) are entitled to transfer to the Secondary school without applying further.

⁴ See appendix A to this policy for further detail on the random allocation procedure
