Y1 - 1pm-2pm
Y2 - 2.15pm-3.15pm

We are looking forward to the KS1 Sports Days next week and hope that the weather stays dry! Children are to come into school in their full school tracksuits, wearing a t-shirt that is the colour of their House:

Brook's - White,
Butler's - Green,
Howard's - Purple,
Howson's - Blue,

If you're struggling to find the correct colour, we will have some coloured bibs available. Children can also bring black shorts/skort to change into, a water bottle and please apply sun cream in the morning if it is sunny.

Parents and carers are welcome to come and support the children. Entry into the school will be through the Ibbotson's Lane gate, at the back of school. Please try to be prompt as we will have to lock the gates afterwards.

Chapter 6 News

On Wednesday a group of Y6 students had a wonderful opportunity to attend Liverpool University to work on developing their STEM skills and higher-level investigative skills. The pupils took part in a number of engaging, interactive activities over the course of the day, especially designed to develop their passion for STEM subject and gain insight into the facilities and opportunities universities have to offer. Sessions included working with polymers to create realistic eyeballs and wiggle worms, exploring space through a planetarium and a series of real-life mathematical challenges. Well done to all who attended. Mrs Doran

Sports News

This week we saw our year 5&6 boys and girls compete in the athletics district championships the team also saw the inclusion of two of our year 4s Isabelle R and Hugo B who have done fantastically well to make the team a year early. All of our students showed great determination and perseverance throughout the day with lots of fantastic results across both the track and field events. Some notable highlights came from Alannah B becoming district champion in the hurdles, and Jasmine O-M winning the 75m metres. For our boys we saw Oscar M win the 800ms finishing with a very strong lead as well as Wolf B taking an amazing 2nd in the 150ms before our year 5 boys won the relay with Wolf, Oscar, Alfie G and Osman F.

Finally, it was time for the results and we could not of been happier as Girls were crowned district champions and our boys finished and amazing 3rd place.
