Reception children have been learning about Kings and Queens. Hugo's dad Mr Anderton made a fantastic video sharing some brilliant facts about Henry 8<sup>th</sup> and he also showed us this original portrait made in 1537. Thank you so much to Mr Anderton who is a conservator for the museums and galleries of Liverpool

### Wanted Notice to Parents/Carers

As the weather is starting to improve our children would love to have some buckets and spades to play in the Sandpit

Thank you

Well done to Macsen 3R for receiving his 1000 metres swimming certificate

## Notice to Parent/Carers

We are asking parents/carers if you have any ideas to make our school grounds more Eco friendly, if you would email them to the email address below.

If any parent/carer knows of any florist who could donate any "bee" friendly plants for us to plant in two of our flower beds, we would appreciate this very much

Thank you

## Year 5 Netball

Another great afternoon for the Year 5 Netball League. Lots of brilliant matches were played. The LC Red team played LC Green team first. There were some excellent goals from Reagan and Grace A on the Reds but some fantastic interceptions from Grace W on the Green team! The Reds were victorious this time though. The LC Blue team played a tough match against Gilmour. However, the girls didn't drop their heads, but played to the final whistle. Well done to Nancy M and Seren J who intercepted lots of passes.

LC Greens then played Much Woolton Reds - another tough team. Again, the girls tried their best and kept on powering through. Mersana played excellently in defence! Finally, LC Reds played Much Woolton Blues and they really played fantastically as a team. A huge team effort and the girls are really trying to work together to find space now. We had solid defenders with Isabelle and Sophia M and excellent mid court play from Zoe and Leah. A 3-0 win to the Reds to top off the day. Well done to everyone who played and we look forward to our last matches next week!

Well done to our new OPAL Play leaders! These children have been identified by staff for showing leadership skills, helping others and thinking and playing creatively outside. The OPAL play leaders will be involved in thinking of new and exciting ideas, encouraging creative play amongst pupils and leading new, innovative projects. Well done!

## Sporting News

On Monday afternoon, our Year 6 footballers (having recently succeeded in qualifying for the LSFA Finals having finished as Southern League champions!) had a friendly vs St Austins at home. The dry pitch (for once) made for somewhat of a strange game, with the ball bouncing through to the goalkeepers on a regular basis, giving the game an almost tennis-match feel. However, there were still some moments of real quality. Ted D finished well in the first half to give us the lead. In the second half, a moment of individual brilliance from the opposition no. 9 saw us pegged back to 1-1, but Max H popped up with the penultimate kick of the game to give us a last gasp victory. Wolf B put in an eye-catching performance on the right wing, Will B was as calm and vital as ever at the back, while Alfie G displayed an impressive commanding presence in goal. The boys should be very pleased with this victory. In a few weeks time we have a rematch booked in; I hope for a similar performance and result!

This week our Year 3 boys took part in a football tournament at the Tiber Football Centre. They can count themselves unlucky not to progress to the City finals, missing out by a whisker, when a deflected shot - judged to be a pass-back - led to Childwall's match-winning free-kick!

Brought into the team for the second match, Hugo was a tenacious presence alongside Ashley - who scored one of the goals of the tournament - with Evan showing off his silky skills and velvet touch throughout.

Jake and Seb were a solid partnership in defence, while Blake - the goalkeeper - stepped up admirably from Year 2 (proving more than capable).

## Forest School

This week in forest school we made bread! The children loved it. We rolled out our pre-made dough (thanks to Mrs Marweld) and wrapped it around sticks that we had whittled the week before. We lit a fire and the children toasted it until it was cooked through. The most fun part was eating it!
