## Sporting News

Our Year 2 footballers finally had their first match of the season last Friday! Our friends from St Anthony of Padua came to play, and they put on a brilliant performance, it was a really excellent game. Our players were terrific! Thanks to some seriously hard work and some excellent play, we managed to win the game 3-1, which maybe flattered us a little but I think we just edged it! I was delighted with this team and can't wait to keep working with them going forwards.

What a season it's been for our year 5 boys football team! If you look about at the start of this year we had struggled for results early season, but the boys kept their heads up and kept giving their all. With each game we saw improvements and a real team spirit growing, especially seen at the recent year 5 Football tournament hosted at Jeffrey humble. Liverpool college went undefeated conceding only 1 goal and winning the tournament. Lucas D and Will B led from the back and kept a solid defensive order with Alfie making many superb saves. Abdul couldn't be stopped scoring 3 goals in the tournament with brilliant support from Ted D in Midfield. But overall all of the lads played amazing! Well done boys!

**Welcome to Sew Arty Club**

Sew Arty is a club that teaches children to develop the creative and valuable life skill of sewing. We primarily teach sewing by hand but, where time allows, we introduce the children to the sewing machine, under strict supervision.

Our aim is to encourage imagination through design and developing sewing skills to produce a finished item whilst also having fun. We are passionate about encouraging personal creativity and the sense of achievement that comes from creation.

One of the most important elements of being creative is the impact it has on our mental health and wellbeing and the 'magic' that happens when we are rewarded with the final outcome.

All equipment and materials are provided. Every child will complete a project to bring home at the end of each half term. The club runs throughout the school year.

**Year 2 Starts Tuesday 3<sup>rd</sup> September, 3.30 to 4.30**

**Years 3 to 6 Starts Wednesday 4<sup>th</sup> September 3.15 to 4.15**

**Dates for your Diary  
Summer term 2024**

Today, Miss Robinson took 4 pupils from Y6 along to the Maths School, which is within the University of Liverpool. These 4 pupils went to take part in a STEM challenge day. This event was attended by many schools across Liverpool who all competed against each other. The day included lots of maths challenges in their group of 4, and with pupils from different schools. The pupils enjoyed seeing the lecture rooms and facilities; above all, they enjoyed the challenging problems.
