PSHE programme

This half term, our PSHE lessons will follow the Jigsaw scheme and focus on the theme of *Celebrating Difference*. Children will explore what makes each of us unique and learn to appreciate and respect the differences between people.
Through engaging discussions, activities and stories, pupils will develop their understanding of kindness, empathy, friendship and inclusion. They will consider how to recognise and challenge bullying, how to show respect for others, and how to celebrate the diverse qualities and experiences that make our school community special.
Our aim is to help every child feel valued, respected and confident to be themselves, while building positive relationships with those around them.

Netball League

The Year 6 girls continued their netball league on Thursday with another very successful afternoon. LC Blue team played a brilliant match against Gilmour. Charlotte played absolutely amazing as WA moving into space to help her teammates and intercepting the ball. Francesca was awarded Player of the Match as she displayed solid defence play! The girls deserved their 3-0 victory!

The LC Red team then took on Much Woolton Reds and dominated from the off. Attack was strong with Esme and Emilia, shooting was on point with Eleanor, Bea and Hannah, and defence was solid was Daisy, Lilly-May, Andi and Ava. A true team performance and a well-earned victory of 13-0.

It has been so great to watch the teams improve week on week. They play their last match next Thursday!

Opal Play

Our children have been thoroughly enjoying getting back into OPAL play after our half-term break!

We are looking for donations for our outdoor mud kitchen and would really appreciate any unwanted kitchen items. We are particularly looking for old pots and pans, metal or wooden spoons, whisks, sieves, baking trays, mixing bowls and other kitchen utensils.

If you have any suitable items at home that you no longer need, we would be incredibly grateful for your donations. Thank you!
