Central library visit

A small group of Year 5 and Year 6 pupils visited Liverpool Central Library on Tuesday. During their trip, they enjoyed a guided tour of the library, where they learned about its history and the system used to organise books. The pupils also had the exciting opportunity to visit the library archives, where they viewed some of the rarest and oldest books in the collection, including the smallest book. Everyone had a fantastic time and found the experience both interesting and inspiring.

Opal Play

This week in OPAL play, it has been fantastic to see the children work collaboratively whilst using their creativity to build lots of different dens and there was even a miniature adventure playground built out of loose materials. The children showed excellent teamwork and resilience as they created and adapted their dens using a variety of materials and imaginative ideas. Staff enjoy observing the children's creativity and independence during OPAL den building, while supporting teamwork, problem-solving, and imaginative play.

Ireland assembly

My thanks to the pupils who shared their knowledge of Ireland in the Pre Prep assembly on Thursday.

Mr Harvey's Organ extravaganza!

My thanks to Mr Harvey for organising this week's organ recital and also a special shout out to Artie in Y6 for his performance in the brass section.

Rounders' fixture at Terra Nova

The Year 5 and 6 Rounders Teams played their first match on Wednesday. We travelled to Terra Nova school. The girls were excited to play their first competitive match of the year and they played really well! The Year 6 team fielded first; Sophia K was super consistent with her bowling and Ella W performed a brilliant catch to get someone out. When it came to batting, it took us a little while to warm up and make strong contact with the ball but Isabelle, Grace and Ella scored some excellent rounders. Terra Nova finished the match with a strong lead but it's safe to say that we learnt a lot about the game so we are ready for the next match!

The Year 5 team had a very close match, scoring 8 rounders in the first innings compared to Terra Nova's 8 and a half. The second innings was just as close. Daisy was consistent in bowling and we scored some excellent rounders. The final score was 17-17. The teams had a fantastic afternoon out, and even enjoyed some lovely refreshments at the end! We have lots to learn from the matches and are looking forward to the next competition. Well done everyone!

Year 6 SATs week

Best of luck to our Year 6 pupils sitting their SATs tests next week. Just a reminder to be in for 8.15am ready for an LC breakfast treat!

PTA News

Please check the PTA newsletter this week, there is important information about the primary tea towels and how to buy them.

There is also information about the upcoming LC Fest and opportunities for artists to perform.

Bees

The children are learning about bees in Pre-prep and Prep. We are looking for a member of our school community, who looks after bees, to come in and show some of the equipment and parts of the hive. If anyone has bees and would like to help, please contact the school office; we would be very grateful.
