

Year 7 Admissions 2025: Frequently Asked Questions

1. How can we find out more information about Liverpool College?

We have planned a Year 7 Open Event to give families the opportunity to tour the school and meet staff and pupils. The date is:

Wednesday 11th September 3.30pm – 5.30pm

Further details on the admissions page of our website.

The College website also has information and up-to-date news about the school:

www.liverpoolcollege.org.uk

2. How many places are there in Year 7 in 2025?

Liverpool College has an agreed admission number of 93 pupils. The College will accordingly admit at least **93** pupils into Year 7 each year if sufficient applications are received.

The admission number applies only to those being admitted from outside of Liverpool College. If fewer than **84** pupils intend to transfer from our Year 6, the College will admit over the admission number up to the overall size of the Year 7 group (i.e. 177).

3. Who can apply to Liverpool College?

While we remain a Church of England foundation, admissions are non-denominational and are not faith based. We will consider all applications for a place.

Liverpool College serves the local and wider community, and welcomes applications from parents both within and outside the Liverpool area.

4. I live within 2 miles of the school. Which oversubscription criteria will my child be considered under?

If you live within two miles (and the application hasn't been considered under higher criteria), your child will be considered under oversubscription criterion 5.2.6 (v) above and then also under oversubscription criteria 5.2.6 (vi) above if a place was not allocated under criterion (v). Please note that the distance within the 2 miles is not taken into account – if you live 0.1 miles or 1.99 miles you will be within the same category.

5. How do we apply to join Year 7 at Liverpool College in 2025?

Applications for places at Liverpool College are part of the Coordinated Admissions Arrangements operated by Liverpool's Local Authority. Applications for places in Year 7 in September 2025 at Liverpool College should be made to the home local authority using the Preference Form (Common Application Form). **The Liverpool Local Authority will start to accept applications from 1st September 2024 and the closing date for application is 31 October 2024** (other local authorities may have a different closing date).

Liverpool City Council website has some useful information about transfer from Year 6 to Year 7 – please see their website <https://www.liverpool.gov.uk/schools-and-learning/school-admissions/transfer-from-primary-to-secondary-school/>

6. How are places in Year 7 allocated?

Where fewer applications than places are received, Liverpool College will offer places to all those who have applied. Last year over 1400 applications were received for Year 7. Applications for Year 7 will be considered against the criteria set out below, in priority order:

- (i) Children who are 'looked after' in accordance with section 22 of the Children Act 1989 and previously looked after children.
- (ii) Next, we will admit the pupils allocated a music aptitude place.
In the following criteria children of multiple births (twins, triplets etc) will have priority¹:
- (iii) Pupils who, on the date of admission², will have a sibling (i.e. a natural brother or sister, or a half brother or sister, or a legally adopted brother or sister, or step brother or sister who will be living with them at the same address at the date of their entry to Liverpool College) in years Reception-13 of Liverpool College. Proof of the sibling relationship will be required.
- (iv) Pupils whose parents are employed by Liverpool College and who have been employed continuously by the College for two years or more, at the time of application.
- (v) 50% of the remaining places will be offered to pupils who live within a two (2) mile radius of the main entrance gates of the Liverpool College site (situated on Molyneux Road) [see map], by random allocation³. The two (2) mile distance is measured as a straight line. If there is an uneven number of remaining places, an additional place will be offered to a pupil who lives within the two miles of the main entrance gates. Proof of residence will be required (council tax bill, utility bill).
- (vi) the remaining places, after places offered to pupils who live within a two mile radius of the main entrance gates as outlined above, will be offered on the basis of random allocation⁴.

If there are more applicants than places available in criteria (i), (iii) and (iv), the tie-break will be via a random allocation process⁵. This will be supervised by someone independent of the school.

Note: Siblings – (Admission Policy 5.2.6(iii)) – the date of admission referred to in this criteria is 1st September 2024 so if your child has a sibling who will still be on roll at Liverpool College on that date they will be considered under that criteria. If the sibling will have left by that date they will not be considered under that criteria.

Note: Multiple birth - when random allocation is used to allocate places in the oversubscription criteria if one of the twins/triplets (etc) is selected through the random allocation process, the other twin/triplets etc will then be allocated a place.

Note: Education Health Care Plan – children with an Education Health Care Plan that names Liverpool College will have priority for admission.

7. What is the Music aptitude test?

10% of places will be allocated to pupils with a particular aptitude for Music. Those who wish to be considered for a music aptitude place will be required to take a test designed to test Music aptitude. The 10% of places will be allocated in test score order.

These candidates are selected on how they performed in the Music aptitude tests. There will be two music aptitude tests and candidates who achieve the score required in the first test will be invited to take a second test on a later date. **Applications for the Music Aptitude Test can be made on-line from 2nd September 2024 and a link will be provided on our website** and can be requested by email from that date. The closing date for applications will be 27th September 2024.

No previous knowledge of Music is expected or required because the test is looking for aptitude to learn rather than ability or knowledge. No preparation is necessary and there are no practice papers available. In order to ensure equal opportunities for all music applicants, we will not take into consideration any teacher references or music certificates so please do not send them in.

¹ This means that when random allocation is used to allocate places in the oversubscription criteria, if one of the twins/triplets (etc) is selected through the random allocation process, the other twin/triplets etc will then be allocated a place.

² Date of admission is 1 September 2024.

³ See appendix A to the Admission policy for further detail on the random allocation procedure

⁴ As above ⁵ As above

**There will be no performance aspect in the music aptitude test.
For further details about the music aptitude test see website**

8. When is the Music Aptitude Test taking place?

10. Can we appeal an admissions decision?

Parents or guardians will have the right to appeal to an Independent Appeal Panel if they are dissatisfied with an admission decision of Liverpool College. The Appeal Panel will be independent of the College. The arrangement for appeals will be in line with the School Admissions Appeals Code published by the Department for Education as it applies to Academies. The determination of the Appeals Panel will be made in accordance with the School Admissions Appeals Code and is binding on all parties. Liverpool College will prepare guidance for parents or guardians about how the appeals process will work and provide a named contact who can answer any enquiries about the process.
