Have a lovely Half Term,
Keep Safe

G. Gannon Head of Pre-Prep

Dear Parents and Carers,

Throughout this time exceptional demands have been placed upon your shoulders. We have been identifying different groups of workers who have shown incredible service and commitment during the pandemic – they deserve our thanks. But nothing replaces your role as a parent or carer. You provide your children with love, support and care. These are the most important things that help children develop and grow through challenging circumstances. Thank you and well done!

This is particularly difficult for those of you who have to juggle child care, remote learning and work pressures. That is why we will continue to call for government to provide better financial support for our workers and those who have suffered job losses during this time. Keeping yourselves and children safe is so important. That is why we keep reiterating the advice to stay at home if you possibly can and follow the rules of hands – face – space. We also encourage you to get tested and take up the offer of the vaccine when it is your turn. It is also important that you reach out if you need support. There is always someone available and ready to listen and help. There are some useful resources here: <https://www.cultureliverpool.co.uk/parenting-through-covid-19/>.

Once again, thank you so much , and please keep you and your loved ones safe.
