

Happy Birthday to:

Ella 1P, Grace 1P,
Thomas 2Q and Santi 2P

Year 1

In Year 1 we have been learning about the train trials and Stephenson's Rocket. The children made their own trains and tickets for the journey. They also watched a video about the Wright brothers first flight and tested out their own designs for a paper airplane competition.

Well done to Zaina R1 who has been very busy this week making paper birds. Zaina was inspired by Winterwatch on BBC

Amira 1Q is having fun splashing in all the muddy puddles.

Tooth Fairy News

Eimear 2R lost a tooth while in school this week. Oscar 2Q and Ethan 2Q both lost a tooth. Dexter 1R lost his first tooth while eating his apple. They all had a visit from the Tooth Fairy.

Reception

Reception children had fun this week making their own Bird Feeders as part of the RSPB Bird Watch week.

Reception children read “Owl Babies by Martin Waddell as part of their literacy lesson. The children then made their own healthy Owl sandwiches. Yum Yum!!

Wildfowl & Wetlands Trust

Please see link below for some lovely activities and fun learning to do at home with your child

Fantastic February

Well-Being Wednesday Challenge

Below, you have 12 well-being tasks that you can choose to complete during your 'Well-Being Wednesday' time, throughout the month of February! You could upload a picture of your child completing the task on Seesaw. We want you to have fun and enjoy these little challenges!

<p>Enjoy a technology free tea time! Put away your phones, tablets and turn off the TV to enjoy a meal as a family.</p>  <p>100 Points</p>	<p>Swap sugary/caffeinated drinks for a nice glass of water.</p>  <p>100 Points</p>	<p>Make time today to write down 3 of your strengths. Put them up on your fridge to remind yourself how wonderful you are.</p>  <p>100 Points</p>	<p>Complete one of the 'Children's University' challenges that have been uploaded by your class teacher.</p> 
<p>Pick up the phone and make a phone call to someone who you have not seen in a while.</p>  <p>100 Points</p>	<p>Wrap up as a family and get outside in the fresh air. Go for a walk in your local park or even just around the block.</p>  <p>100 Points</p>	<p>Get cosy and enjoy watching a funny film or TV show.</p>  <p>100 Points</p>	<p>Sit at a window or lie down in a place where you can see the sky. Spend 5 minutes or more simply watching the clouds.</p>  <p>100 Points</p>
<p>Dig out some old photographs and look at them as a family. Talk about the different people you can see.</p>  <p>100 Points</p>	<p>Settle down and get lost in a good book.</p> 	<p>Spend time doodling, painting or colouring in. Let your mind get creative.</p> 	<p>Grab a pen and some paper. Write a letter to someone you love and miss. Pop it in the post as a nice surprise.</p>  <p>100 Points</p>

Home Learning With Barefoot

Home Learning

Bring computing to life with our [home learning resources](#). With just one click (and no need for logins), parents/carers can continue to build their child's computing skills in an enjoyable and accessible way - through lessons made into easy activities, fun 'mini-missions' and interactive online games!

To coincide with Safer Internet Day on Tuesday 9th February 2021 Barefoot will also have a resource for pupils aged 4-6 giving them the opportunity to discuss how to stay safe online by plying "Cyber snakes" (a Barefoot take on the classic Snakes and Ladders) with their parents/carers.

Free Parental Resource from SSS

Amid the COVID 19 pandemic, supporting the wellbeing of children has never been so important. This resource is designed to offer advice on how parents can safeguard their child/ren's mental health and promote their wellbeing and is available as a document and short video presentation
