Foodbank

Pre Prep are collecting for South Liverpool foodbank. If parents/carers would like to donate non-perishable items please bring them into school where they will be very much appreciated.

Radio City Toy Appeal

A big thank you from Radio City for your very generous donations for the Toy Appeal. Courage the Cat came to pick up these toys on Friday 4th December. They will be passed to Father Christmas to give to local children so they have something to open on Christmas morning.

All toys donated go directly to children in the Merseyside area – Radio City are grateful for all donations and your gifts will be thankfully received by Social Services and, more importantly by children who would otherwise go without. If you would still like to donate a toy to the appeal you can take your present to any B&M store or the Radio City Tower.

**Wednesday 16th
December
Christmas jumper day
for charity**

On Wednesday 16th December children can wear a Christmas jumper to school for a contribution of **£1.00**. All proceeds will go to **Save the Children**.

PTA News

Liverpool College is registered with easy fundraising. Go to their website and search for Liverpool College Parents Association and then shop as normal. We can get cash back on all sorts of different shopping and in these difficult times it is an easy way to continue to support the PTA and the school. Thank You

Christmas Cards

Children can bring Christmas cards into school on Monday, Tuesday or Wednesday next week. The cards will go in a pillarbox in class and given out on Friday. This is so that the cards have a quarantine period before going home.

Notice to All Parents/Carers

As we approach the end of the year Pre Prep staff are overwhelmed by the generosity of our parents as they send gifts of appreciation. We would like to suggest that this year you would consider donating to a local foodbank instead of a gift if you were thinking of giving one to staff.

Important Notice to All Reception Parents/Carers

There are still a few parents/carers who have not completed the permission slip for their child to be filmed for the nativity play which will be shown only to their class. If we do not receive permission by Monday 7th December 2020 your child will not be filmed for the nativity.

Year 1

The children have enjoyed making their houses using recycled materials. Children have made the exterior of houses using various tools to join materials together. They used a range of materials to make the interior of their house too, including lollipop sticks, pipe cleaners, tissue paper, cardboard and muffin cases. Children have also made beds, couches, tables, chairs and picture frames for their houses.
