### Please Note:

Social Distancing and entry and exit of school for Breakfast Club and Afterschool Club :

Please be responsible for your child(rens) and your own social distancing.

The biggest challenge for us all is the collection and drop off of children. We follow Government guidelines in order to ensure children & staff are safe and to keep school open and children learning.

- We ask one adult only to drop off and collect your child from site to reduce the number of people on site.
- The adult collecting must wear a mask or face covering to collect and drop off their child (Unless medically exempt)
- Can you please wait patiently if there is a queue to collect or drop off your child. There are clearly marked lines from the pedestrian gate to the playground gate.
- There will also be 2 metre marks to guide families (along the Sutton Timmis Hall).
- Please drop and collect your child in a timely and safe manner avoiding contact and social interactions with other parents/carers.

We look forward to seeing you all from Monday 7<sup>th</sup> September 2020
