Year 1 News

The Year 1 topic this term is The Seasons. We have enjoyed watching the trees on our campus change colour before our eyes!

We have been using lots of maths equipment, including cubes, beadstrings, numberlines and whole part models, to help solve subtraction equations.

In Literacy we are practising using our phonics to sound out words and write in full sentences using finger spaces between words.

In PSHE we have been discussing how we got our names and why they are special to us. We have loved hearing stories of children named after pop stars and grandparents.

As always we continue to wash our hands while singing happy birthday. Today we got to wish a Happy Birthday to our school as we celebrated a very different kind of Founder's Day than we are used to. Happy 180th Birthday Liverpool College.

Lost Property

Ethan 2R has misplaced his black named school coat. Could all parents please check their child's clothing. Thank You
