This is for parent/carers who wish to ask any question or discuss concern they have with their child.

Parents are welcome to attend. Tea , coffee and biscuits will be provided.

Please contact Mrs Crook on kcrook@liverpoolcollege.org.uk

A group of children from Year 3 to Year 5 went to the Anglican Cathedral on Thursday to represent Liverpool College at the Pentecost Praise celebration. All of the children, alongside Miss Tyrer (who quickly jumped in on behalf of Miss Whittaker) had a fantastic afternoon! A special mention to Joel B and Olivia L who read beautifully, as well as Isaac F and Sophia N for carrying the banner on behalf of the school.

If you are having a clear out some time soon we would be grateful for any donations of sun hats or bucket hats.

Year 6 continued their 100% winning record in the KMC league on Thursday night with a 3-1 win against Gilmore. The boys started well and were unlucky not to be ahead early on. They kept their patience though and got their reward for their excellent attacking play with another beautiful left footed free kick from Joe C.

At half time, this one goal separated the teams and we started a bit more nervously in the second half but still managed to keep most of the possession. Eventually a great run and finish by Joe C doubled our lead before we conceded from a corner to set up a potentially nervy finish. Luckily the boys kept going and got back their 2-goal cushion when Chet L score to make it 3-1.

This was another great display by all involved. Jack W won virtually every challenge and carried the ball well in support of our man of the match Joe C who caused endless problems on the wing and deserved his two goals. Dan C in goal kept his concentration well in a game where he had little to do but was sharp and ready

when he was needed to make some good saves. Our midfield pairing of Leo T and captain Charlie W, controlled the match creating some really good chances. They were supported by Thomas B who did a strong job in the centre as well as at CB where his strong and controlled performance kept their forwards quiet. Jordan A also did well in this position when called upon and did a great marking job. Ben P had another industrious game up and down the flank at right back as did Niall OC, when playing in that position, who also had some great attacking play when on the wing. Elijah L was lively as usual and kept going despite picking up a few knocks. Finn S did well up from for us and gave their defence no time, as did Chet L who was unlucky not to get a penalty but was rewarded with the third goal for our team. We now have one final league game to go of what has been an outstanding season. Well done to everyone on another great result.

Our
Beaver
section

completed their community impact badge on Monday! What a great way to teach youngsters about leaving behind a better world.

"In our lodges we chatted about what we could do to protect our environment and how important this was. We drew posters with our ideas and litter picking was something we thought we could do for the environment in our local community!! We now need to tell the world what we did!!"

Well done to our Beavers and to the fabulous Beaver leaders who organised and co-ordinated it. Thanks also to the local Green Party for supplying the litter pickers and for their support.

Nothing brings me greater joy than to see a child learn a skill, then pass

on their learning and expertise to others. Yesterday, Mylene in 3P did exactly that. It wasn't just her coaching and supportive approach that impressed me, it was the vocabulary she used to explain it to her friends. It completely blew me away!!

All of the children in Y3 activities were persistent in their desire to light the cotton wool with flint and steel, such perseverance was marshmallow-worthy!!

I had the pleasure of 6Q in the woods too, I shall miss these grown up Y6's next year. They are funny and knowledgeable.

Nancy in 5P took her FS activities to another level. Before half term, she and others were digging up clay in the woods and they created some pots and mugs with it. Nancy

took hers home to dry then painted it, it was spectacular!! I expect to see it on antiques roadshow in a decade!! Despite the changeable weather, we've had a great week!!
