

Headteacher's Award

Well done to the following pupils who were given Headteacher's Award certificates this week.

Anya W, Tanvir H, Isabella M, Rose M, Mia M, Evie A, Annabel B, Amaya H, Oscar M, Sam C, Eva B, Lauren F, Alannah B, Jack B, Jenson F, Holly V, Daniel O'S, Alice M, Leon W, India E, Ethan H, Lucy P, Ralph W, Gino McN-L & Denikah N-S.

Congratulations to our new appointed Head Boy and Girl,

Ben D and Darcey G

and our Deputy Head Boy and Girl

Charlie W and Marina V-M

I am sure that they will do an amazing job representing the school throughout the year!!!!

The first group of prefects for this academic year were presented with their badges and ties today:-

Leilani B, Hanaa C, Daniel C, Darcey G, Rijja M, Maro O, Leo T, Dottie U, Hannah W, Mustafa A, Thomas B, Cori D, Ben P, Marina V-M, Abdul O, Eva B, Isabella M, Charlie W, Freya W & Noah W

They have already made an excellent start with their duties.

A massive thank you to all the Prep staff - teachers, LSAs, ground staff and catering! Having completed our first full week in the Prep school, I am delighted with all that has been achieved. It has been wonderful to see so many happy children. With some beautiful weather, your children have enjoyed playing outside (with a little less mud!) as well as really beginning to get back to grips with the curriculum. Behaviour around the school has been impeccable with pupils focused and ready to learn.

Please may I remind parents in class WhatsApp groups to think carefully about what they write and be respectful to other parents and staff.

From this weekend, all homework will be set and submitted using Seesaw.

Afterschool/Homework club registration forms need to be in by Friday 24th September. **All Ad-hoc drop in**

sessions will be charged at the full evening rate.

Whilst afterschool club is nearly running at full capacity in year groups, if you have any enquiries, please contact droberts@liverpoolcollege.org.uk

As you know pupils in Year 6 at the Prep School are entitled to transfer to Year 7 without having to sit

the Banding Test and we hope that they are looking forward to moving up. However, we have been informed that it will be necessary for you to complete a **Local Authority application.**

The city council will supply us with letters for Liverpool Residents with your unique number so that you can make the application to the local authority.

We expect to receive these letters next week and will forward them immediately. **The application has to be made online and by 31st October.**

If you don't live within Liverpool local authority you will need to contact your own admission authority and follow their procedure. The deadline date of 31st October is common to all local authorities.

Year 4 Personal Development Program

We have had an excellent first week in our PD program in Year 4! For those who don't know, Year 4 are piloting a new way of delivering the many personal development opportunities already available to the children at Liverpool College. This week, we have enjoyed learning to play the glockenspiel for the first time in 'Music in the Morning' (we learnt Twinkle Twinkle - basic but our level at the moment!!) In 'Get Creative', we made self portraits using coloured pencils and paint. In 'Let's get Fit' we did a 15 minute HIIT workout to start the day. In 'Mind Time', we took part in some Minecraft themed yoga and also discussed what we would rather do: fail or just not attempt something, which promoted some honest and frank discussion! Some of us even went to Forest School to learn some crucial survival skills. On Friday, some of us ran as many laps as the field as we could in 15 minutes, and we will try to beat this score throughout the year.

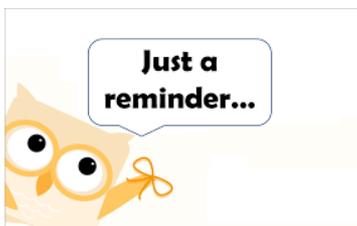

Finally, in 'Make and Sell', we recorded our initial ideas for the jewellery products we will eventually design, make and sell, with the money going to a chosen charity! Already the Year 4 teachers have seen children engage really well with these sessions, showing resilience and 'coming out of their shell' already!

We can't wait to see what next week has in store!

We are so pleased to announce the return of class assemblies!

6Q are the first of this term on Wednesday 15th September at 8:45am. We would kindly ask that parents and carers do a lateral flow prior and wear a face mask during the assembly.

Pre-prep & Prep Individual and Sibling Photos - 27th September 2021

This week we were thrilled to reacquaint ourselves with the beauty of our forest!!

The glorious sunshine, dappling through the trees on Tuesday was a welcome reprieve from the blazing sun on the fields.

In contrast, Thursday brought grey skies and humidity which darkened our outdoor classroom. It could easily have been the setting for a Twisted Fairytale!

Y4P started their FS personal development journey. Within this we aim to show the achievement of particular skills. Our focused activities are whittling (use of a knife on wood) and flint and steel (fire lighting). The children will have the opportunity to do either, hopefully both, over the next 4 weeks. They will then reflect on their learning, safety steps and achievement. This will then feed in to other

areas of personal development and support the completion of their Diploma.

Thursday saw the wonderment of a cross section of year groups, how lovely to cross bubbles!! The joy of watching Y6 supporting Y3 was a sight for sore eyes! The children

spent their time re-exploring and challenging each other.

It's so good to be back!!!

Just a reminder that if your child has FS for activities, they should come in their tracksuit and suitable footwear. On poor weather days, outdoor coats are essential.

Without the correct kit, they may not be able to come to the woods. Thank you for your cooperation.

Best wishes to you all for a
good weekend!
Mrs A Pease - Head of Prep
