After a staff meeting on Wednesday about how to encourage the children to read for pleasure (particularly in class where we usually just sit at our desk) 5R decided to have a go! We were able to choose the most comfortable place for us to read around the classroom. Some of us chose a windowsill, some of us lay on our stomachs, some grabbed a cushion and some of us even squashed ourselves into the tightest spaces possible! We all found it really enjoyable and struggled to put our books down - make sure you try it!

Our Year 6 boys team headed to the AXA Training Ground (the training ground of LFC) last Friday having qualified for the semi-final of the KMC cup. The semi and the

final was to be played on the same day. Our boys put in a great performance in the semi-final and beat Blessed Sacrament 2-1 with both goals scored from a free kick - one from Joe C and one from Charlie W. This now meant that we were in the final after a long season.

We started brightly in the final but found it hard to break down a St Pauls side that worked really hard. Eventually though Joe C was able to break the deadlock with another free kick. Unfortunately, with only a minute to go, we conceded a free kick of our own which was scored by St Pauls to even the game. This meant penalties.

Unfortunately, the boys lost the penalty shoot out to finish as runners-up. They put in a great performance all round with lovely, well taken goals as mentioned from the ever-industrious Joe C and captain Charlie W (who did a great captain's job of picking the boys up and getting their spirits going again after defeat). There was some great creative too work from Chet L and Elijah L who were both unfortunate not to score.

Finn S was his usual busy self on the pitch and Thomas B, Ben P and Leo T all made life difficult for the opposition while creating opportunities for the team. Harvey L worked hard and linked up well. Jordan A and Joseph O were solid at the back with Joseph even having a late stint up front. Mason N played a few roles for us and helped the win possession for us. Jack W was solid on the left flank and supported the attack well with some clever, early passes while Daniel C did as great as always in goal and was unfortunate not to keep out

a couple from the shootout.

On the way out of the ground, the boys were lucky enough to bump into former FA Cup winning Liverpool captain Mark Wright and were able to grab a photograph with him.

The year 6 boys dusted themselves down from their cup final defeat to head back to league action on Tuesday.

The boys were playing Hunts Cross in the KMC league (a competition in which we have so far won every game). Tuesday was no exception as we ran out eventual 8-0 winners after a difficult start.

There was a hat trick for man of the match Chet L who had an outstanding game and could have got more. 2 goals for captain Charlie W who put in another very good performance. A goal from Fin who scored with a lovely well taken shot after good work up front. Another goal from Joe C who , after a good first half on the wing, moved to left back to try and get used to a different area of his game. This meant that Jack W moved into a more attacking role and he was a huge threat throughout the second half and, as a result, finally got his much deserved first goal for the team.

Joseph O had probably his best game for the school too and also tried a few different roles where he caused trouble up front and deserved a goal. Harvey L played at the back at times alongside Ben P and Jordan A and they won pretty much everything that came their way. Thomas B was back to his imperious best winning every ball and providing a platform for his teammates and Leo T was very creative and created a host of opportunities for his teammates.

It was good to be back to winning ways. Well done to all the boys again.

Year 6 Girls Kwik Cricket Tournament

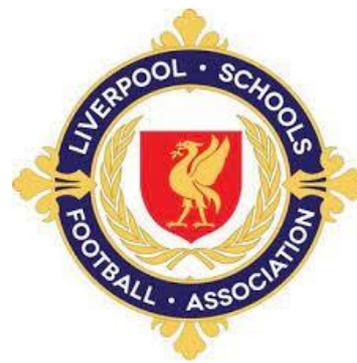

After some trials and a training session, 10 Year 6 girls headed off to Sefton Park CC for an all-day tournament. We had to play our first match in the rain, against tough opponents, who narrowly beat us. However, after this game, we really woke up and came to life! In all of our other matches, we were superb. There was some brilliant bowling by Dottie U who took several wickets, big hitting batting from Darcey G, excellent fielding from Hanaa C, some powerful shots from Orla D (one of which nearly took out our captain on the sidelines!), some impressive running from Isabella M, some

good awareness in the field from Poppy L, some very quick deliveries from Marina V, a brilliant all-round performance from Eva B, some enormous sixes from Anya S, and assured display of captaincy from Leilani B! We won the rest of our games, but sadly were denied a semi-final spot by the earlier rain delay causing us to run out of time! It was such a shame as I really felt we were one of the strongest teams there. Either way, it was a pleasure to take these girls along for the day, they were great and represented the school really well!
