To celebrate Liverpool Readathon, we're going to be taking part in the **2022 Two Million Minutes Reading Challenge**.

Schools from across the city will be tracking how many minutes they can read for in the month of March- the closing date is the 31st March.

As a school, every child can add to the reading minutes total and help Liverpool reach its goal by using this link:

A very busy week this week for our year 6 football team who, as of the time of writing, had played two of three fixtures this week.

Our first game was an Echo Shield match against Sudley. This game had to be delayed prior to half term due to poor weather making the pitch unplayable and it looked like this may be the case again due to heavy rain throughout Monday. Unfortunately, though, we had reached a deadline to have the game played and we would have to forfeit should we be unable to play the fixture. Therefore, I'd like to say a huge thank you on behalf of the school to Colin Windrow of Woolton FC who was kind enough to secure an all-weather pitch for us at short notice late on Monday evening. This meant that we were able to finally get the game played.

The game itself was one of most difficult so far and once again the boys were a credit to themselves. Daniel C had a busier game than usual and performed brilliantly as ever. At the back, Thomas B marshalled the defence ably which helped prevent Sudley's attacks. Ben P was full of energy as usual and did a great job keeping their left winger quiet while Joseph O read the game well to cut out any threats down the opposite side. In midfield Charlie W put in a man of the match display to keep us in possession and showing excellent skills throughout and Leo T was excellent alongside him winning the ball and carrying it to start our attacks. Finn S and Harvey L both had games up front and, on the flanks, where they caused plenty of problems with their energy and determination and Josh G had his best

game for the school yet showing some really quick feet to go past their defence. Elijah L on the right wing caused no end of trouble and was rewarded in scoring the first goal which was brilliantly taken. A special mention needs to go to our three year 5 boys who also stepped up to help. Jack W played excellent in two different roles. Firstly, at left back, where he broke up a lot of attacks and constantly made himself available for the pass, and then on the left wing where is pace and skills troubled the opposition and he was unlucky not to cap the performance of with a goal. Mason N stepped into the team and looked comfortable and assured winning his duels and giving the team a platform to play off. Joe C was full of tricks and running and a lot of our best attacks came from his link -up play with Charlie W. Joe got his reward for a very good performance with our second goal to seal a 2-0 victory which saw us progress to the next round.

Onto our second game of the week which was a league fixture under the lights against Bishop Eton at Heron Eccles. We knew this would be a tough fixture and it was. Despite a lot of pressure from Bishop Eton, who were arguably the better side first half, we were able to take the lead thanks to a lovely finish from Elijah L. However, their pressure paid off and they were soon able to equalise. Once again, our defence of Joe O, Ben P and Thomas B managed to keep them at bay and Daniel C pulled off some very important saves when they did get through. Our rear guard were able to keep the score to 1-1 going to half time which enabled us to really get going in

the second half. Jordan A switched in at the back to give Thomas B a chance to help on the creative side. Jordan also put in a great performance against their forward line while Thomas was able to create some great chances and was our man of the match. One of those chances was for Elijah who was able to secure a second goal for himself and the team.

Shortly after that, hard attacking work from our midfielders won a free kick which was delivered beautifully by Charlie W onto the head of Chet L to make it 3-1. Charlie and Leo really played well and, after a tricky first half, really took the game to Bishop Eton and took control of the midfield. Elijah again was full of energy and deserved his brace and Chet caused problems both up front and on the wing. Finn S and Harvey L again caused problems. There was some very good play on the wing by Finn and it was the foul on him, following excellent skills, that won the free kick for our third. Harvey played a few different roles without complaint and was reliable in each position. It's important he gets the praise he deserves as he is very much an unsung hero of this team and really helps set the bar in terms of winning the ball back and hassling the opposition.

Overall a good week for Year 6. I'd just like to say what a pleasure the boys are to take to these fixtures.

Their attitude is second to none and they should be very proud of themselves.

Year 4 took place in the City qualifier on Tuesday afternoon at Tiber Sports Centre with the sun shining down. We had 4 leagues game to try and finish in the top 2 to progress on to the semi-final. we started our league run with a 2-0 lose but it could have been more but for Bobby L pulling off some fantastic saves. With some outstanding defending from Albie, we managed to draw out next match and we knew we need to win are remaining two matches. We had our first goal of the league scored by Albert F with a great run from defence moving passed two players to fire it into the bottom right-hand corner for a 1-0 win. The boys fought hard through there last league match, under pressure that they needed to win the boys pulled out a fantastic 4-0 win to take us second in the group and onto the semi-finals. Belvedere prep finished top of their league, and we knew we had a big fight on our hands. The game just finished 0-0 only thanks to Lucien M-B with some clam and outstanding defending throughout the game with 2 match winning tackles. The game ended 0-0 and Penalties are never easy but watching our boys step up and smash each of their penalties into the back of the net was amazing. With a missed penalty from a Belvedere player, Issah had the pressure of stepping up and taking our last penalty to try and send us into the final. Issah looked all clam before his penalty and hit it with such confidence into the bottom right-hand corner not only to send us into the final, but it also meant that we had automatic qualified for the City Finals too. Unfortunately, it was a fairy tale ending for

the boys as we lost 1-0 in the final, but we put in an amazing performance and all the boys are excited for the City Finals in the summer.

There was more magic in our Forest this week than in the whole of the Hallowed

Halls of Hogwarts! We had The Greatest Showman, Mandalorian, Spiderman, Mary Poppins, Dorothy, the Tiger who came to Tea, the Butterfly from the Very Hungry Caterpillar and Mrs Twit!!

You may remember that before half term we took down the tarpaulin roof, so today brought the arduous task of erecting a new one. The Trojans of 5P and the wonderful Miss Tyrer, worked together to put the main part of the roof up. Hashim was a dynamo and Abu and Musa were able assistants.

Our activity groups continued the job with the hilariously funny antics of Miss MacQueen and Miss Frees. Hindered by the mud and slipping and sliding, we laughed our way through the task.

Some of the children helped, others-built shelters elsewhere in the woods. We made lard bird feeders for our resident robins, dug holes and generally had the best time.

Mud is our friend!!! Thank you for understanding!!

Best wishes to you all for a
good weekend
