There are a number of Prep pupils with nut allergies. This can be mild or quite severe - even to the point of merely touching a nut or breathing the air around one can cause a problem for a child.

Can I ask parents to ensure that, as far as possible, the snack that they give their child for school does not contain nuts. We have asked all staff/children in the Prep school to be vigilant about this.

If your child has a nut allergy and requires piriton or an epipen, please ensure that both of these medications are in school and up to date. Thank you for your co-operation.

Prep After School

Last night, two of our After-school pupils started to harvest some of the apples now growing in the school's small orchard.

The mild weather in March and April has – as predicted – led to larger than usual apples.

LC also boasts pear trees, blackberry bushes (to feed the greedy squirrels!) as well as wild garlic.

Children arriving this morning were treat to free slices of apple.

Important Notice to ALL Parents/Carers

If child is being collected by another friend/family member, it is very important that you contact school either by phone or email Mrs Fraser or Mrs Herron
