Happy Easter

Easter Bonnet/Hat Parade

Easter Bonnet Parade

On Tuesday night our Year 4 team played against our friends from St. Oswalds. There were quite a few debutants on the night, and it was great to see them involved in the team. It was tough match, we conceded a wonder goal very early on. But we fought back well thanks to a goal from Noah H. Sadly our opponents scored right at the end so we lost, but I was really encouraged by what I saw. Player of the match for me was our goalkeeper Noah M, playing in his first ever football match! He was incredibly brave and made some vital saves!

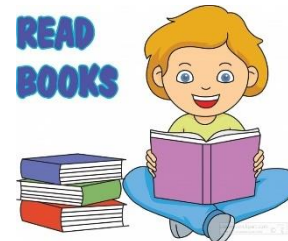

A huge well done to our 2 Year 5 Netball teams who have been playing weekly matches against Much Woolton and Gilmour in the Year 5 netball League. They played their final matches last week and we revealed the final positions after 4 weeks of playing. The LC Black team finished in 6th place and the LC Red team won the league, finishing in 1st Place! It has been so great to see our players improve over the weeks and we're really looking forward to next year now. What a super way to end the season!

Important Notice to Pre Prep Parents/Carers

Children will not be bringing home a hard copy of a reading book today, this is so that we can check our resources over the holidays. However, we still encourage you to read with your child. You can access decodable books, at an appropriate level, when you log in to your Oxford Owl account.

Reception News

The children in Reception have been learning all about recycling! They have looked at different materials that can be recycled and what happens to our planet if people don't take care of it. They were horrified to learn of the damage that littering can cause to the animals - especially the ones that live in the ocean! We were inspired to make some artwork to raise awareness of this and we did this out of recycled bottle tops! Thank you so much to everyone who donated the bottle tops, they have gone to a good cause and our artwork looks fantastic!
