

## mySchoolApp

Alongside the main website, this is a quick and easy way for parents and pupils to keep in touch with what is going on across the College. Features include:

- What's coming up
- Latest News
- College Calendar
- Messages

We will use the app to remind you of events, timings and any useful information via the message feature.

1. Search for **mySchoolApp** on the play or app store & download.
2. Open mySchoolApp and search for **Liverpool College**
3. Tap to Register. (You will be sent an email – click the green button in the email to ‘Activate Account’).
4. Go back to the app and sign in.
5. Once on the home page, tap **Menu** → **Settings** → **Choose notification groups**.
6. Select which parts of the College you would like to hear from  
E.g. your house, your chapter/year, your interests etc.
7. Tap **Save**.
  - a. N.B. You will need to **allow push notifications** for mySchoolApp to send messages.
