
LIVERPOOL COLLEGE

A School of Character

Principal's Newsletter

14 February 2025

Dear Parents and Carers,

Today's Ch11 RS lecture, led by Mrs Duffy, was on the theme of 'love' and what it means to a variety of different religions and cultures. This most appropriate topic for the 14 February also marked the end of a successful half term for Chapter 11, as demonstrated by a positive mock results day yesterday where there were lots of smiling pupils and parents. I look forward to even more smiles on the third Thursday in August when all their hard work over the forthcoming weeks will have paid off.

Thank you to all those parents who attended Chapter 7 core subjects Parents' Evening – our first in the new building – and to those who attended our busy Chapter 9 Options Evening this week. Your support at all times but especially the start of the pupils' GCSE journey is invaluable.

This week in the primary phase Chapter 3 children had their residential trip to Barnstondale on the Wirral, led by Miss Russell-Moore. Thank you to all the staff who undertake these trips which allow our pupils to have such memory-making experiences.

A personal highlight of the week was being able to attend one of the pupil-led reflection assemblies. Miss Kelly shares further details:

This week, pupils and students from the Anti- Racism group wrote and delivered an informative and inspiring presentation about India. They explained that there many languages spoken in India. They described its wealth of culinary dishes, world famous sights to see and their personal experiences of cultural traditions and festivities; as well as dispelling misconceptions about its people and magnificent land of world class sights and natural beauty. A particular highlight was learning about the festival of Holi which sets out to emphasize that everyone is accepted despite difference and that good will prevail over evil.

The Careers Fair on Tuesday was a great success with pupils and students in Chapters 9, 11 and 12 able to gather information about a vast array of career opportunities. Thank you again to Mrs Drew and Mrs Doran for organising the event and for all the volunteers from many different organisations and career paths who gave their time to support our pupils. You can read more about the event on our website [here](#) and access the latest Careers Newsletter [here](#).

Our **artist of the week** this week is Isla L (Ch11)

Title:
My
Personal
places.

Our **musician of the week** from Mr Bishop:

This week's musician of the week is Music Scholar Mylo H (Ch7). Mylo has immersed himself into all aspects of College life since joining us in September. His effort in music lessons is fantastic, he has produced some first-rate classwork and he has really gained confidence and musicianship during his time singing with the choir. Well done Mylo!

Advance Notice - An Evening of Jazz

Join our very own Jazz Collective, supported by a variety of acts, for a relaxed evening of Jazz and musical entertainment. The first of its kind at Liverpool College, the evening promises a mix of Jazz styles, solos and group performances.

Mrs Crook (SENCO) has asked me to share an opportunity for parents to attend a virtual training course during the half term holiday led by Liverpool's ASD Training Team – please [click here](#) for further information.

May I wish you and yours a peaceful and calm half term.

Yours sincerely,

Mrs A Haynes
Principal
