- Leeds University Summer School
- Manchester University Scholarships & Bursaries
- GCSE Webinar
- MyPath Job Of The Week

CAREERS IN F1 MOTORSPORT

Formula Careers is one of the world's biggest motorsport careers platforms. Founded in 2017, we exist to help people who dream of working in Formula 1 and the wider motorsport industry figure out how to actually get there.

We know how hard it is to find clear, honest information about breaking into motorsport. There's no straightforward path, career advisors rarely know the industry exists, and the whole thing can feel impossibly out of reach – especially if you don't already have connections. Formula Careers was built to change that. Click [here](#) for more information.

ARUP DESIGN PROGRAMME CH10-12

The 'Arup Design Programme' is a creative, engaging and inspiring work experience programme focused on giving students (years 10-12, ages 14-17) insight into the day-to-day life of engineers, designers and consultants working within the built and natural environment. This year the programme will be running Monday 6th – Friday 10th July 2026. Click [here](#) for more information. The deadline is Friday 27th March.

DISCOVER LAW IN ACTION: EXPLORE LEGAL CAREERS IN THE INSURANCE INDUSTRY FOR CH 11-13

If you are curious about the intersection of legal practice and the insurance sector, you can apply for this immersive half-day experience that introduces you to the different roles within insurance and how they interconnect with the legal sector. This opportunity is ideal for students aged 16-19 with an interest in law, business, or finance, especially those considering a career that combines legal expertise with the dynamic world of insurance. Click [here](#) for more information and to apply.

COMING UP

Chapter 12 careers interviews start after the Easter holidays

PLACED ACADEMY STUDIO 2026-27 CH 9-13

PLACED Academy is designed to tackle barriers young people face in accessing professional careers in the built environment, including architecture, planning, urban design and landscape architecture. We seek to support greater diversity in the sector, enabling young people to develop a wide range of skills, grow in confidence and feel empowered to shape the places of the future. The programme runs from July 2026 - March 2027 with monthly sessions and is funded by some fantastic practices and organisations. Click [here](#) for more information and to apply.

ARNOLD CLARK APPRENTICESHIP EVENT

Liverpool Motorstore Branch are holding an event on Thursday 26th March to provide information and support for any aspiring Arnold Clark apprentices. You'll get the chance to meet Arnold Clark employees, find out more about our apprenticeship programmes, and ask our recruitment team any questions you may have. You don't need to come alone; parents, guardians, friends, and family are all welcome to come with you.

Time: 3-6pm

Location: Liverpool Motorstore / MG / Chery, 55 Sefton Street, Toxteth, Liverpool, L8 6UD

Register [here](#).

CH 12 FOOD SCIENCE AND NUTRITION SUMMER SCHOOL AT LEEDS UNIVERSITY

Are you fascinated by how chemistry, biology, maths or physics explain the food on our shelves? Join us from Tuesday 30 June to Thursday 2 July 2026 at the University of Leeds for an immersive Food Science and Nutrition Summer School. This is a free, fully funded 3-day, 2-night residential for Year 12 students. Across three exciting days, you'll explore real-world challenges in food safety, product development, sustainability and nutrition—all while experiencing life as a university student. Click [here](#) for more information.

UNIVERSITY OF MANCHESTER UNDERGRADUATE SCHOLARSHIPS & BURSARIES

Applications for scholarships and bursaries for September 2026 are now open. Please click [here](#) for further information and to apply.

HOW TO MAXIMISE EVERY GCSE MARK; PARENT/STUDENT WEBINAR 26TH MARCH

So, what will we cover?

Where marks are being lost

How to use exam mark schemes

How to convert weak topics into scoring topics

How to keep momentum without burnout

You will get the chance to listen to Maths, English, and Science specialists explain how they achieved top grades and share their best tips. We will focus on the most effective revision strategies before the exams, so you can maximise the time you have left. Sign up [here](#).
